SOURCE

1. On 4 April 1951, about 50 soldiers began construction of low wooden barracks buildings in N. Mohelno (Neu-Mugl) (N 50/P 45) in the border area west of Marianske Lazne (N 50/P 56). Many trucks and passenger cars were observed at the construction site.
2. In early April, a low wooden barracks building was constructed and occupied by soldiers on the western slope of Mt. Dylen (Tillenbergl) about 4 km north-east of N. Mohelno. Excavation work was done near the building on and after 10 April. *

25X1A

- * Comment. One company of the border guard battalion in Dolni Zandov was to be stationed in Marianske Lazne and a second company at Mt. Dylen. 25X1A
